NEW ISRAELI RESTRICTIONS

AGAINST
PALESTINIANS
LIVING ABROAD
TO VISIT THEIR
HOMELAND

www.sri.org.pk

**Palestinians living
abroad will now have
to send the Israeli
government a slew of
invasive personal
information to visit
the Palestinian West
Bank.**

Information Rules by Israeli Government

- Names and ID Numbers of **relatives in Palestine**
- Names and ID Numbers of anyone they plan to **stay** with in Palestine.
- Whether they **own or will inherit proeprty** in Palestine.

Israeli Government Restriction

Israel's violent military rule over Palestine, Palestinians living abroad are forced to get permission from the Israeli government before they can visit their own homeland.

Notify Israel's Military

The government of Israel will even require people visiting the Palestinian West Bank to notify if they start a relationship with a Palestine Resident "within 30 days of the relationship's start."

Otherwise they wont be able to qualify for marriage residency in future.

Israel Increasing Surveillance of Palestinians

Experts believe Israel will use this information to increase its **surveillance of Palestinians** to further **restrict and control** daily life for Palestinians.

Israel's Apartheid

The New discriminatory rule set to take effect on **May 22**.

To further establish Israel's current system of **brutual oppression** against Palestinians, in international terms known as **Apartheid**.

Israel's Discriminatory Policy

Israel's new rule only apply to people visiting the Palestinian West Bank; they do not apply to people visiting the Israeli settlers who live illegally in the very same West Bank on stolen Palestinian Land.
